# About MACFEA

The Malaysian Consumer and Family Association (MACFEA) or Persatuan Ekonomi Pengguna Dan Keluarga Malaysia was established as a professional association in the field of consumer and family economics in Malaysia. The association was officially launched on 13 August 1996 by the Minister of Domestic Trade and Consumer Affairs, YB Dato' Abu Hassan Omar.

## PUBLICATION

### MALAYSIAN JOURNAL OF CONSUMER AND FAMILY ECONOMICS

The Malaysian Journal of Consumer and Family Economics (MAJCAFE) is the official journal of Malaysian Consumer and Family Economics Association (MACFEA), whose main objective is to promote the well-being of consumers, families and business communities in Malaysia. For further information about MAJCAFE, please visit our website <http://www.majcafe.com/>

### JURNAL PENGGUNA MALAYSIA

The Jurnal Pengguna Malaysia (JPM) is a publication to disseminate, enhance and share consumer related information on consumer affairs, legislation, consumer research and current issues. The articles published in the journal uses double-blind peer review. The journal is published twice a year in June and December.

### BULLETIN

The objective of the Bulletin is to enhance and share consumer related information. The Bulletin is published once a year.

## OBJECTIVES

- To promote the advancement of professionals working in the area of consumer and family economics.
- To provide a forum for the exchange of ideas and knowledge for those interested in promoting the economic well-being of consumer, families and business community.
- To encourage research pertaining to consumer and family economics and to disseminate information arising from the research.
- To educate the public on consumer and family economics related issues.
- To carry out the objectives of the association either alone or in affiliation with other societies, associations or groups having similar aims or objectives, locally and internationally.

## VISION

To be a leading professional association in consumer and family economics.

## MISSION

To enhance consumer and family economics well-being by promoting quality research, consultancy and educational programs in becoming the regional referral center and influencing policy making decision.

## ACTIVITIES

- MACFEA Conferences
- Workshop
- Training for Members & Public
- Research on Consumer & Family Economics
- Providing Mini Grants for Members.
- Publication of Journals and Buletin.
